

ANU ARC SALES & SERVICES — For Welding Precision

Mogora WT3510 MIG Welding Torch

Category: MIG Welding Torch | Price: On request | GST: 23AKGPK2852C1ZM

Specifications

Parameter	Value
Power Source	Gas Cooled
Welding	MIG
Equipment Type	MIG Welding Torch
Type	Welding torch
Material	SS
Rated Current	400Amps
Color	Blue
Fuel gas type	LPG
Torch cooling	Gas cooled
Duty cycle	60%
Wire feed compatible	Yes
Model	WT3510
Ergonomic handle	Yes
Flexible cable	Included

Trade Information

Minimum Order Quantity	1 Unit
Payment Terms	Cash in Advance (CID)
Supply Ability	10 Units Per Month
Delivery Time	5-7 Days
Main Domestic Market	All India

Product Overview

Get it now - the Supreme Mogora WT3510 MIG Welding Torch, engineered for top-tier performance in industrial tasks. With a wondrous 60% duty cycle, this model supports LPG fuel gas, ensuring consistent results. The gas-cooled WT3510 features a durable stainless steel build and an ergonomic handle for enhanced comfort. Buy online and take advantage of this offer to receive flexible cable and wire feed compatibility. Designed for MIG welding at 400 Amps, this blue torch is the preferred choice for suppliers and traders across India seeking reliable equipment.

Special Features & Robust Material Build

The Mogora WT3510 MIG Welding Torch features an ergonomic handle and a highly flexible cable, prioritizing user comfort during extended tasks. Constructed from robust stainless steel (SS), the torch is optimized for heavy-duty MIG welding applications. Gas-cooled for enhanced longevity and efficiency, this equipment offers seamless wire feed compatibility, making it suitable for a wide range of industrial welding scenarios. This torch is a top pick for professionals who demand reliability and supreme material performance.
